# Legislative Updates

## Additions to IC 12-23-19 (Recovery Works)

- Competency Restoration Services
- Recovery Community Organizations
- Collection of demographics

# Program Changes

## Competency Restoration

- Alternative to State Hospital setting
- Reduce forensic backlog

# Program Changes

## Recovery Community Organizations

Recovery Works has begun the process of partnering with RCO's to allot for Peer Service Support billing.

- A Recovery Community Organization (RCO) is an **independent, non-profit organization led** and governed by representatives of local communities of recovery.
- RCO's will obtain certification through an outside vendor contracted by DMHA
- RCO's will be able to bill for Peer Recovery Services

# Program Changes

**Referral Process-**In an effort to collect the required legislative data and ensure equity in referral distribution, the referral process for Recovery Works will change.

**Criminal Justice Partners identifies Participant and sends necessary information to Regional Liaison.**

**Regional Liaison contacts the participant to determine needs and collect necessary data. RL completes referral and sends to necessary providers.**

**Providers complete intake/assessment process.**

**Monthly progress notes/communication are sent from DSP's to CJP's.**

# Program Changes

## Referral Process: Recovery Liaisons

Recovery Works has partnered with an independent agency to reorganize the way referrals are distributed. Target date of implementation January 1, 2022.

- The state will have Regional Liaisons who will distribute Recovery Works referrals
- Criminal Justice partners will still identify the participant and forward information and CJ documentation to the liaison
- Regional Liaisons are responsible for identifying the total needs of the participant and distributing referrals to the necessary providers
- Referrals will be distributed according to participant choice and/or provider availability.
- Priority to ensure there is little to no time delay to services

# Coming down the line...

## ■ Crisis funding

- Funding for the population of RW consumers who have maxed out their funds but are in mental health crisis.
  - Specific providers will be selected to receive reimbursement for crisis funding
- Funding for individuals who have prior justice involved history who do not have a current open case

# Coming down the line...

- **Resources for post-justice involved persons in recovery**
  - Supportive services through community recovery support agencies including discretionary funding for utilities, security deposits, etc.
    - Not necessarily in crisis.

# Coming down the line...

## ■ Emergency Rooms

- Emergency Medical Professionals making referrals.

\*IF your agency has mental health staff in emergency rooms, PLEASE send JIRA ticket notifying us of this with details of position, number of staff, etc. We want to establish a stronger understanding of triage supports for those in mental health crisis.

# Coming down the line...

## ■ Diversity, Equity and Inclusion Training

- Will be added to list of required trainings (Motivational Interviewing, Justice-Involved Persons, etc)
- Trainings will be provided through DMHA by contracted agency.

# Next Steps

Recovery Works will send information via email for providers to complete. It is VERY important this information is returned by the deadline, as this will assist the Regional Liaisons in distributing referrals.

- NEXT MEETING: December 13<sup>th</sup>, 2021 at 10pm
  - **Virtual, Teams meeting link will be emailed.**
- Providers will be updated on referral process and change implementation as we move closer to the date of implementation. Please ensure you are checking your email.

# Questions/Answers

**Please submit questions via Teams  
comment section or JIRA.**

# Thank you for all you do!
